By signing this Registration Form, I acknowledge I have read and accept the risks associated with community gardening. I shall use and occupy the garden grounds at my own risk and shall hold harmless the South Zone Community Gardens Association and its associated organizations for personal injury as well as loss or damage: to crops, equipment, or personal property due to: vandalism, weather, weeds, rodents, theft of produce or equipment failure.

I have read and agree to follow all policies of the South Zone Community Gardens as posted on the garden website, <https://www.szcomgardens.ca>, including:

- (1) SZCGA Garden Rental Terms and Conditions
- (2) Policy on sub-letting* garden plots
- (3) composting policy;
- (4) Revised Policy-Regulations for Perennial Plots.

- **Subletting** refers to allowing another party to garden some or all of the space that has been rented to you. Permission to do so may be granted if the conditions outlined in the policy are met. **Subletting without permission is considered a failure to honor this agreement.**

Weed Management: I acknowledge that it is my responsibility to maintain my garden plot in a weed free condition throughout the gardening season. I understand that I will receive only 1 warning (by email or a sign placed in my plot) and that **failure to act on that warning within 10 days will lead to loss of my gardening privileges**. I understand that if weeds are not controlled my plot and all produce in it may be rototilled.

My signature indicates I understand and accept the need for weed control and that I understand that failure to control weeds or honor this agreement and the listed policies in any way may lead to loss of garden privileges. I acknowledge that notice of loss of gardening privileges will be given by email.
